WORK EXPERIENCE

UI & UX Intern (Cookytech)

April 2020 – March 2021

- It was really a great opportunity as an intern to work on whole UX pipeline from scratch, from conducting extensive product research to the product's launch.
- Worked on Branding, Iconography and Marketing of the product.
- Developed designs to meet varying browser and device to demands. Translated concepts into user flows, wireframes and prototypes to foster intuitive user experiences.
- It was great learning along the way.
